

TOUR #1 : Calistoga to St. Helena

Step back in time - in between wine tastings walk the trail of the Petrified Redwood forest, and visit Old Faithful Geysers.

Start your tour at the Vincent Arroyo Winery, then proceed to the Old Faithful Geysers. Erupting every 40 minutes, the Old Faithful Geysers is one of only three Old Faithful Geysers in the world . It is located in the center of a dormant volcano that erupted over a million years ago.

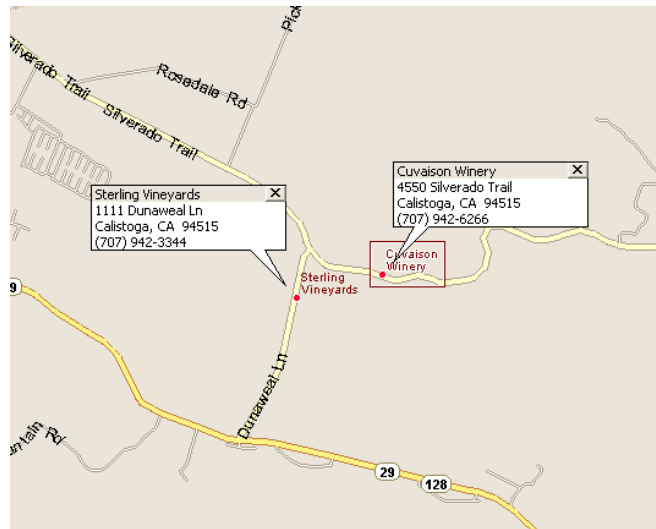

Your next stop is Graeser Winery, located along the road to the Petrified Forest.

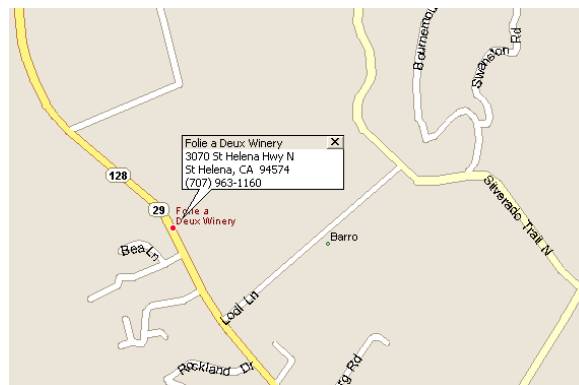

After your visit to Graeser, continue with a short drive to the Petrified Forest – step back in time 3 million years, and follow the trail of majestic petrified redwood giants arrayed before you in a fascinating grove.

Once you've had your fill of the forest, head back into Calistoga, down highway 29/128, and visit Sterling Vineyards on Dunaweal Ln, and then on to Cuvaison Winery on Silverado Trail.

From there, drive down Silverado Trail, across Lodi Ln, and back up Highway 29/128 a short distance to your last stop, Folie a Deux Winery.

Please feel free to use this tour as a guide on your own wine tasting tour. Guests of McClelland Priest Bed and Breakfast Inn enjoy complimentary tastings at these wineries, and customized itineraries.
